

Avening Village, Gloucestershire

1841 Census

Instructions:

Here is a transcription of the 1841 Census for Avening.

You will find an overview which details five of the eight enumeration districts that make up the return and the areas/road/streets that each covers. The remainder have been omitted as they cover parts of Nailsworth and Forest Green.

This is followed by an index. The ages given in the census are listed by each individual and the year quoted alongside is the approximate birth date of that person.

NB: There are a number of families in this census which, in comparison to the Parish Registers, have odd spellings. They have been transcribed as written by the Enumerators. It is recommended that the researcher refers to the primary source if there are any doubts.
