A photograph of a village with a rainbow in the sky, framed by bare trees. The scene is captured from an elevated position, looking down on a cluster of houses with dark roofs. A vibrant rainbow arches across the sky above the village. The foreground is dominated by the intricate, bare branches of trees, some with small red berries. The overall atmosphere is serene and picturesque.

February 2019

Welcome Back to all and a Happy New Year.

2019 promises to be a momentous year for us all - for everyone's sake perhaps we shall succeed in avoiding the 'B' word and concentrate on so many things that make living in Avening special.

Readers may be interested to hear about the applications for building at the Old Quarries and the land adjacent to the Playgroup. These could result in a good many extra homes being built and whilst this is, of course, to be welcomed, the effect on the infrastructure of the village, needed to support the additional residents and traffic, will be considerable. The views of our readers on this subject are important and, if contained in letters to the Editors, can be included in the Villager.

There are a number of events coming up in the next couple of months, which you may be interested in, including a chance to share your views on the Community Café, an event to help the School organised by FOAS and an opportunity to support the newly relaunched Cinema Club. Finally, of course, the efforts to raise funds for the refurbishment of the Memorial Hall shouldn't be forgotten.

Letter From Avening Parish Council Leader

We started the new term discussing a new proposal for the ‘exception’ development site opposite Playgroup. The site remains in the hands of GCC as a number of developers have not progressed with the purchase, considering the site too difficult. We thought the draft presented had quite a few shortcomings – density of development; wrong mix of properties; significant shortage of parking; and of course access issues through Lawrence Road and out onto Hampton Hill. For this we have asked them to ensure Highways make improvements to the junction before we approve anything. On the plus side, any development will be for local people – those in the parish, or direct connections to family.

In December we also had a pre-application view of the proposals at the Old Quarries. This was more acceptable as a proposal, but we have concerns over additional traffic down Rectory Lane, and the main entrance at the last corner out of Avening towards Nailsworth.

With a total of 25 new dwellings, plus some individual developments, we have general concerns over local infrastructure and specifically the impact on our school. Please look out for both applications in due course on the CDC planning portal – they will also be discussed formally at future PC meetings.

We have so far raised over £300 from the sale of the WW1 Son-et-lumiere DVDs and sponsorship of roof tiles – we’ll be collating the stories in due course, but it’s not too late to tell your hero stories or purchase a DVD.

This summer we will have an open gardens day – the Mark Townsend Charitable Trust will be organising the event on 23rd June, so if you can help, would like to open your garden, or perhaps provide refreshments along the route, please contact the trust. More details will follow.

I was unable to attend the Christmas tree lighting this year, but I understand it went really well, and we already have ideas for the next one! Special thanks to Mel Young and the Angels for the evening entertainment. The Avening Angels provided some wonderful performances at the church carol concert, which as always was well attended, and later entertained the customers of the Queen Matilda and the Bell. They were followed with more songs led by Amanda and Pip – what a lot of talent we have!

We’re now well into 2019, but change is coming (no, not Brexit – well probably not anyway!) – We know we will need at least 2 new councillors in the May

local elections. No experience is needed, as all you need is a can-do attitude – we want to get things done; to organise events; and to engage all parts of the community. You can live in any part of the village, be of any age (we'd really like to attract some younger members, as we can be a little out of touch), or have useful skills. If you want to find out more, contact me, the clerk, or any councillor, or come along to any meeting – they're the 3rd Thursday of every month in the Jim Parsons room at the Memorial Hall.

The Friends of Tetbury Hospital House to House Collection 2018

The Friends of Tetbury Hospital are delighted to announce that as a result of the money raised during last years house to house collection, which totalled an incredible £10,539.80, we have now been able to provide the hospital with a new ultrasound machine.

The hospital is extremely grateful for the new ultrasound machine which is a valuable piece of equipment to both surgeons and anaesthetists. The ultrasound machine will be used during outpatient clinics, and also in the day surgery unit during surgical procedures.

The photo shows the hospital team with the new ultrasound machine. Left to right: Deb Loewenthal, Sharon Neale, Lisa King, Lorna Donson.

Avening and Cherington Churches

So it's all over then

... Christmas, that is. The tree has been recycled, the wrapping paper is in the loft, even the turkey and the cake are now all gone. It was fun while it lasted but now we can get back to real ordinary life, perhaps a relief for some, perhaps a reminder of how mundane our lives might sometimes seem.

Well, there is another angle. The point of Christmas is that our Creator identifies with us 'mere' humans: as it has been expressed, "*The divine becomes human so that humans can become more like the divine*". No-one is a 'mere' or a 'just'. No moment of life is mundane or ordinary.

Everyone is special and every second is a divine gift in which we are invited to live life and live it to the full, whatever the month or the year, whatever the weather or the state of Brexit.

What did Jesus mean by living life to the full (a quote from John's gospel chapter 10 verse 10)? Surely he meant using all our gifts as much and as constructively as possible both for our own fulfilment and for the good of others, not least those who seem to be struggling with life. That is something to enjoy from now until next Christmas, and beyond.

Christmas Services

Thank you to all those who contributed to the Christmas services in our two churches. Both carol services were very popular and at Avening the singing of the Avening Angels choir was much appreciated. At Cherington our youngsters were evident at many of the services and particularly at Christingle. At Avening it was the nativity service on Christmas Eve that attracted many families with the children enacting the story. At both churches numbers on Christmas morning were exceptionally high.

Some of the collections were for charities and as a result over £70 has been sent to Longfield Hospice and over £400 to The Children's Society. Thank you for your generosity.

Lent

This significant period of the Christian year will start on Ash Wednesday, 6th March. The CoE has produced a booklet of 40 daily reflections entitled *Pilgrim Journeys: The Beatitudes*: the cost is £2.50. There will also be some weekly Lent evenings in Avening and Cherington to which all are welcome. If you are interested in either of these please let me know.

All Age Services at Cherington

The January service coincided with the worldwide church remembering Jesus being baptised by John the Baptist, so we saw a film clip of this and recalled our own Christenings.

The next all age service will be on Sunday 10th February at 10.30am.

Candlemas, 3rd February

This is the day when we remember the time when Jesus was taken to the temple by his parents and met two elderly people, Simeon and Anna, who recognised his importance: so it is an occasion when we can give thanks for the valuable roles of those who are not so young.

At Avening (11.00 am) we will also give thanks for our Baptisms – if you have a Christening candle bring it with you.

Avening Playgroup

Happy New Year from the children, families, staff and committee at Avening Playgroup!

In our last article of 2018 we were planning the much-awaited Christmas Bonanza. It all seems so long ago now, but we just have to thank everyone who has supported this event in any way. We are very grateful as it is the Playgroup's main fund-raising event and it proved to be a big success. It was a pleasure working alongside FOAS to raise much needed funds for the children to enjoy at both the Playgroup and Avening School. A big thank you to FOAS and we look forward to joining forces again later this year.

As soon as the Christmas Bonanza was over the children were busy making Christmas decorations, cards, calendars and Christmas sponge paintings. The children also learnt about the Christmas Nativity and acted out the story with the help of some dolls. We practised some Christmas songs, which the children sang to parents on their last day before the holiday.

This term the children have been describing, finding, cutting, colouring and comparing different shapes. They have been doing lots of jigsaws and making shapes out of playdough. The children have also been enjoying our new equipment: large scales, a creeper crawler and a large fishing game with numbers. All of these help with physical, mathematical and social development.

We have a piano at the Playgroup, which is sadly no longer played. If you can spare an hour or so a month to play some songs and rhymes for the children to join in with then please contact us. You will require a DBS check.

Children usually join us from the start of the term in which they turn 3 years old, but we can accept children a term earlier when we have enough spaces. We can also accept children with two year funding, when ratios allow. Our current opening times are from 9.15am until 12.15 pm from Monday to Friday. On a Tuesday, Wednesday and Thursday we run a lunch club which finishes at 1.15pm.

We are currently looking at the 2019-2020 school year in order to plan time tables, so, if you would like your child to join our lovely playgroup, find out more about it, or reserve a place for your child, please phone 01453 832695 on weekday mornings or email aveningplaygroup@gmail.com. You are also very welcome to come and visit. Please contact us to sort out the most convenient time.

Angie Heslop

Avening W.I.

Wishing you all a very Happy New Year!

Avening WI members are looking forward to a full programme of meetings, outings and events in the year ahead. This is also the time of year when we vote

for the latest National WI Resolutions. Over the past one hundred years the WI has been successful in campaigning in many areas. These have included helping to put women on juries, securing equal pay for equal work, starting the Keep Britain Tidy campaign, lobbying for breast screening clinics and, more recently, the End Plastic Soup campaign. WI resolutions have often been ahead of their time. We called for a ban on smoking in public places in 1964, a full 43 years before it became law. In 1927 WI members lobbied for action on pollution in the seas and, in the 1980s, we broke taboos by calling for better understanding of HIV/AIDS.

We have started this year's programme with two catering events under our Bite to Eat scheme, a light hearted talk on Kith, Kin and Kenya by Alison Hesketh and a friendly skittles match. We also had a walk at Westonbirt Arboretum where several members took advantage of a promotion called Members Tuesdays, which allows arboretum members to take a friend in for free at certain times of the year. They set off over the Walkway into Silkwood passing trees in various shapes and colours, including a Christmas Box which smelt lovely. Then up to Waste Gate where they admired the Gloucester cattle in the valley before returning to the café for lunch.

Our meeting for February will take place on Thursday 14th at 7.30 pm in the Memorial Hall. Our speaker will be Richard Burton with a humorous talk on his long career in the retail business entitled 'Perfect, perfect! – 40 years a salesman'. Visitors and any new members are very welcome to join us for the evening.

Avening School

Romans, Vikings and Superheroes!

We are already well into the new term at Avening school with the KS1 children focusing on superheroes as their term topic while we have two classes of historians in KS2, with the Hawks (y3/4) travelling back to the Roman era and the Owls (y5/6) exploring the Vikings. All classes have exciting trips and visitors planned to support their learning on their class topics.

Each year, children from yr.'s 4, 5 & 6 take part in the Young Voices concert which takes place at the end of January at the Birmingham NEC. Joining thousands of children from other schools and accompanied by professional musicians and singers, our choir sing in unison before an

audience made up of parents and family. It is such an unforgettable experience for the children to be part of and definitely one of the highlights of the year for the children and staff. This year's special star guest was Tony Hadley from Spandau Ballet and the concert was a roaring success and hugely enjoyed by everyone involved and as usual our children did us proud with both their attitudes and confidence.

After-school clubs have started, with an exciting array of new activities on offer ranging from art club to forest school and nature club, not forgetting the firm favourites of football and tag rugby. Yr.'s 4, 5 & 6 have also started their school swimming sessions which run for the entirety of the spring term.

Weekly forest school sessions for the Eagles (reception) are well under way, with the rest of the school getting their turn later on in the school year. We are delighted to have won a bid to build an outdoor classroom on the school garden which will ensure that our sessions can take place whatever the weather! These sessions, run by our very own Forest School instructor, Mrs

Carter, enable the children to take their learning outside and explore the natural environment of our school garden as well as learning skills and gaining a confidence and knowledge of working with nature.

Looking forward, we have our annual World Book Day celebrations coming up at the beginning of March which will centre around one particular children's book, the much anticipated and hotly debated title and details of which will be revealed shortly. Watch this space!

Our Fledglings sessions will begin again on Friday 1st March.

We are incredibly fortunate to have an amazing fundraising group in FOAS who support the school and organise fun events to help raise much needed funds for the school, enabling us to purchase resources and equipment for classrooms as well as paying for coach fees to transport the children to and from school trips and sports fixtures. The next event on the FOAS calendar is a Quiz Night on Friday 8th February. Doors open at 7.45pm with the quiz starting at 8.15pm. Tickets are £5 per person and teams are up to a maximum of 6 people. We will have a bar available on the night and snacks available to purchase. Tickets that are purchased in January will be eligible for a free drink on the night. Please contact the school office to purchase tickets or for any further details on the event.

Community Cafe

Avening Community Cafe

February will be a busy month for the café with our first open meeting, a special offer ahead of Valentine's Day, a second outing for the book stall and a taster 'art dabble' - not to mention the good coffee, great company and home-made cakes which continue to attract around 60 customers a week.

Our open meeting will take place on February 11th for everyone who has feedback about the café and ideas about how we can build on our fledgling success. We have lots of ideas but want to hear what you think: How can we involve more people? What do you particularly like? What could we do better? The meeting will be held at the Social Club, will begin at 7.30pm and should be a lively affair.

Some of your ideas are already gaining ground with a book stall set to be a regularly monthly feature and other events and activities are getting booked into our café calendar. On February 12th we are inviting customers to embrace the spirit of Valentine's Day (without the expense of roses or the stress of choosing a card) by introducing a new friend to the café, with two hot drinks for the price of one. What it may lack in romance, it makes up for in cake!

None of this would be possible without our supporters and volunteers. We were delighted with the unexpected but much appreciated donation from the Stuart Singers and continue to be grateful to our café volunteers who open up, clear up and do everything in between. We would like to thank Eileen Ind in particular for providing invaluable advice and practical support in the early life of the café.

The café is open every Tuesday from 9-11.30. Please talk to one of the café volunteers if you want to find out more or want to get involved – and please visit our Facebook page (Avening Community Café) to keep in touch.

Avening Angels

Avening Angels would like to say thank you to our two pubs for allowing us to come and sing carols at Christmas. We had a lovely time and hope that all the people in the pubs enjoyed the singalong with us. We collected £81.06 which went to Longfield Hospice Care. Thank you all very much for your generous donations and hope to see you all next year!

Meanwhile, on Sunday 3rd February we will start our rehearsals for the spring season, including the beautiful and reflective Tenebrae service on

Good Friday and a wedding in April, both lovely events to be part of. New members are always welcome. No experience needed, no auditions and no need to read music; just an interest in singing in a happy, relaxed atmosphere. Phone Derrick (01453 835090) for more details.

COACHING

Are you facing challenges? Are you stuck, repeating the same old behaviour patterns? Would you like to see huge changes in your life either at work or at home?

Are you looking after someone who suffers from dementia, and have concerns about what will happen if they go missing?

Symptoms of dementia can include confusion and disorientation which make it difficult for the individual to know where they are going and why, and for search teams to locate them. You can help by signing up to the **Herbert Protocol** on their behalf, filling in significant details on a simple form which is handed to police when the person is reported missing. It includes things like previous addresses and special locations, such as a family grave, which may be a draw to them; hobbies and regular routines; photos and up to date description - sometimes hard to recall in the panic of finding that your loved one has gone missing.

Gloucestershire Constabulary is working with the Alzheimer's Society to promote this scheme, named after war veteran George Herbert who died whilst missing and trying to return to his childhood home.

For more details visit our website: <https://www.gloucestershire.police.uk/staying-safe/the-herbert-protocol/> and fill in this form: <https://www.gloucestershire.police.uk/media/6223/herbert-protocol-form.pdf>

Air Mail With a Difference!

Stationed at 20 M.U. Aston Down, No.2 Ferry Unit we had just flown back a Handy Page Hastings to the parent factory at Radlett for reconditioning. To save on flight crews, this would mean we picked up a reconditioned aircraft and flew it back to Aston Down for storage.

With all four engines running and flight checks complete, I had just gone to the rear of the aircraft and was about to close the rear door when one of the ground staff at Radlett came running up to the door with a box. "Are you going back to Aston Down" he said. "Yes", I replied. "That's near Stroud isn't it?", he queried. "Yes", I said "what's your problem"? "I've got a pigeon in this box which should have flown back

to Cardiff, but it's lost and is a nuisance. Could you give it a lift?" I laughed and said, "I'll do that for you" and closed the door. My pilot asked, "What was that all about?" When told he just said, "There's always one! We'll fly to St Athen and get permission to do a 'roller'". [That is almost land, then open the throttles and take off again.] "You can then open the Astra Dome and let the bird go".

This we did and landed back at Aston Down. "Where have you been? Having a cruise around?" "No", said the pilot, "We have just given a pigeon a lift to Cardiff". The enquirer gave us a funny look, "Ask a silly question, expect a silly answer". I trust it got home safe and well.

Funny things do happen!

Letter to the Editors

After constantly picking up other people's dog poo bags along Nags Head Lane, I have reached the end of my tether. I have asked CDC to install another dog bag bin along the Lane to make it easier for dog owners to act responsibly. Why is it non-dog owners responsibility to clear up after dog owners? After all, this is an area of outstanding natural beauty, (except for bags of dog poo strewn widely).

The CDC take this very seriously, but say they need a lead from the parish council. They are sending out warning signs to me and I will install them on lampposts, but hope you will act on this and also that the Villager will feature this as a growing problem.

Thankyou.

The Cirencester Science and Technology Society

When three scientifically-minded Cirencester friends thought of forming a small group to enjoy talks on a range of scientific subjects, little could they have foreseen that twenty-one years later it would be flourishing with over 200 members. Its name belies the wide area from which members come, stretching from Stroud in the West, northwards to Cheltenham and Malmesbury in the South.

Each year the society holds a series of ten lectures on a varied selection of topics intended to appeal to a wide variety of interests and levels of scientific background. Members include not only scientists, doctors and engineers but also many who have a general interest in science and technology. Our friendly meetings are held at 7.30pm on the second Wednesday of each month, usually at the Royal Agricultural University. The January lecture was a fascinating account of the successful Rosetta space mission by Dr Morse of the Open University while the forthcoming lecture on March 6th will be on the contribution of plants to today's healthcare by Michael Heinrich Professor of Pharmacology at UCL.

Exhibitions have been arranged in the past and visits are made regularly to places of scientific and technological interest, including wildlife reserves and museums. We also offer small educational grants to local schools and colleges for suitable projects, so far disbursing more than £1,500 to four schools in the local area.

New members and visitors are always welcome. More information can be found on our website www.cirensociety.org.uk.

Avening Youth Club

Here's the programme for February:

4th February - Stranger Danger Awareness

Fun activities around the importance of knowing who is a safe and an unsafe person to talk and listen to.

12th February – Games Night

Sports, games, an active night for all!

9th February – HALF TERM – No Youth Club

26th February – Drama Workshop

Get some great acting tips from whilst doing some fun drama-based games!

Check out the Facebook Page

Youth Club is for anyone aged 8 to 14, from Avening, Nags Head, or Cherington. We meet every Tuesday in term time from 6 to 7.30 pm at the Memorial Hall. **Once you're 13 we'll ask you to be a Young Leader and help out (don't worry, we'll give you training).**

Cost is just £1 a time to include a healthy snack. Just come along and see what's what if you haven't been before. We'll make you welcome.

For parents or carers: The Youth Club is run by The Door (find their website at www.thedoor.org.uk). They provide qualified and experienced Youth Workers. You just need to leave an emergency contact number when you drop your young person off. If they come on their own, we need them to give us a number to contact.

Want more information? Contact Rev Gerald South on 834884 or Becky at The Door on 01453 756745.

Dying without a Will. Now that's a real tragedy.

No-one likes the thought of dying, so it's hardly surprising that almost 3 out of 5 UK adults don't have a valid Will (*source: www.unbiased.co.uk 2010*). Yet having one is one of the most important arrangements you can make during your lifetime.

My name is David Martin. I live in Nailsworth and I'm the local consultant for *Steele Rose & Co* - one of the UK's Premier Professional Home Visit Will Writers. After 22 years serving my country in the RAF, I have spent the last 28 years of my life professionally advising my clients on all personal financial matters and specialising in Wills.

Writing a Will is easier and cheaper than you think. It also ensures that your wishes are carried out simply and efficiently - causing the minimum of anguish for those you leave behind. If you would like to discuss your Will arrangements, redraft an existing Will, Lasting Powers of Attorney, or other associated legal services, at a mutually convenient time in the comfort and privacy of your own home, please contact me:

Infrastructure

District Cllr Morgan explained proposals for waste collection that are subject to budget decisions. County Cllr Hirst was given a list of highways department work around the village. The white junction lines by the green have been repaired. Cllr Gegg will arrange for new gravel for the car park. Gigaclear has informed Cllr Mitchell that it will provide broadband connection by early 2020. The council will discuss improving access to the Village Hall for those with disabilities at its March meeting.

Defibrillator

The defibrillator is now operational and a familiarisation session has been provided. No user training is required as it can be operated by anyone who follows the automated instructions. It will not work if the patient does not require it, so there is no risk of harm.

Litter Pick

The annual Litter Pick will be on **Saturday 16th March** at 10am, starting from the Village Hall.

Annual Parish Meeting

The Annual Parish Meeting will be on **Saturday 6th April** at 10am in the Village Hall.

The Parish Clerk can be contacted on 01453 832100 or via email at cheringtonparishcouncil@yahoo.co.uk.

Next Parish Council Meeting

This will be held on **Tuesday 5th March at 6pm** in the Village Hall. An agenda will be placed on the notice board and cheringtonpc.org.uk. The Parish Clerk can be contacted on 01453 832100 or via email at cheringtonparishcouncil@yahoo.co.uk.

Avening Parish Council

Avening Parish Council Meeting 17th January 2019

The minutes of the meeting will be published shortly, but some of the items discussed are summarised below:

Crime

One crime was reported in December for an online offence. Councillors have asked the police to provide more details with their reports like they used to do.

Proposed Planning

Chris Knibbs of Bromford Housing Association on behalf of Gloucestershire Rural Housing Association and Martin Hutchings of GRCC were in attendance as they are working with GCC to utilise the 'exception' site at the end of the Sunground for affordable/rental properties. As the site failed to sell to a developer, and in response to the 2014 housing needs survey, they are making an initial proposal for affordable housing. Although no firm plans have yet been submitted, the Parish Council were given a draft proposal for consideration. The PC were generally supportive of the need for affordable housing, but this proposal was not well received for a number of significant reasons: the density of development; mix of property types; lack of parking; access issues along Lawrence Road, and the exit onto Hampton Hill. When added to the application proposed for housing at the Old Quarries site, there was additional concern regarding the increase in the volume of traffic and the impact it will have on local amenities, especially the school.

Memorial Hall

Minor improvements and additional safety work at the Memorial Hall continues. Grant applications will be made for the roof replacement project – this was delayed due to sickness.

Playground

Improvements to disabled access by dropping the curbs to the playing field at Sunground, and removing the steep step into the field have been agreed by GCC, and funding is being sought to carry out the work as soon as possible. The PC is initially attempting to source second hand fencing from Highways/Amey and local councils before appointing a contractor to complete the fencing of the play equipment.

Defibrillator

The battery on the defibrillator has been changed. The PC are investigating the suitability of the old phone box at the junction of Old Hill/Lawrence Road for a second unit.

Recycling

Cllr Morgan of Cotswold District Council reported that the district's recycling was under review.

Next Meeting

The next meeting will be held on **Thursday 21 February** 2019 7.30pm in the Jim Parsons room at the Memorial Hall. Agendas will be displayed on the village notice boards. Minutes of our meetings are available to view at www.avening-pc.gov.uk

The Parish Clerk can be contacted via email: parishclerk@avening-pc.gov.uk or by phone: 08714 900512; 01453 860379
