# March 2019

This edition of the Villager includes another tale from Riley Vincent's memories of being in the Western Desert during WWII. Riley has a message for everyone: "I'm not the only one with memories - why doesn't anyone else want to tell us about their past?" A good point, Riley! We'd love to hear from anyone, young or old, who has a story to tell us. It could be from something that happened when you were a child; or memories from when you first came to Avening or Cherington; or like Riley, your experiences in a battle zone. And we'd also like to hear about more recent events, like your travels or other adventures. Send us your tales to the email address below - and if you're not confident about writing it down, one of us would be happy to help be your scribe, so give us a call on one of the phone numbers below.

The whole village of Avening was shaken by the death of Eileen Ind, as shown by the amazing turnout at her funeral in Avening church on February 21st. Eileen was or had been involved in many aspects of village life, from Play Group and Cricket Teas to WI and 'Bite to Eat', and was a wonderful, cheerful neighbour and friend. Her absence will be keenly felt. The Editors extend their condolences to Derrick and his family.

# Letter From Avening Parish Council Leader

**Cable Laying:** You won't have missed the team who have been laying fibre optic cables – we are the first village in the Cotswolds to get this infrastructure, and we will soon have the option to be connected to super-fast broadband. Unfortunately, the communication has been very poor, with only badly phrased and frightening letters sent to a few households. **We have arranged a public meeting on 4<sup>th</sup> March in the hall at 7.30** to discuss matters with the management of the company involved – all welcome.

**Snow:** Hopefully the snow is now over for the winter, but the early February dump gave me some food for thought, and some interesting photo opportunities (see later in the magazine). There was some good cooperation to clear some local roads, but others became very dangerous as the melting snow froze. It's a shame our wheeled gritter was only lightly used, as it makes clearance a breeze, and conserves valuable grit. We have also identified the need for an additional grit bin at the top of Star Lane. Most amusing was the use of Sandford Leaze as a sledging run (before the grit kicked in) – it was like a busy alpine piste!

**Dog Poo:** I'm afraid I have to give another airing for dog poo! It's becoming a problem in the playing field again, and a new front has opened on the east along the lane through to Nags Head – unbelievably, people are going to the trouble of bagging it up, but then chucking the bag in the verge! We're commissioning a new bin at the crossroads in Nags Head, so there will be no excuse.

**Footpaths:** I've had a few reports of issues relating to access along footpaths – some paths have been blocked, leaving no stile or opening gate, and there have been a couple of occasions where walkers have been challenged while walking perfectly responsibly along a formal path. Most recently (and worryingly) a deer was shot with a rifle on a path close to the village, and the carcass dumped in the hedge. Landowners, please ensure all your paths are passable (ideally with dog access), allow people unfettered access along them, and hunt away from areas of population.

**Playing Field:** It's a year since we faced the 'angry mob' over our ambitious but misunderstood plans for the field, but we have listened to public feedback. We appreciate there is no appetite for organised sport, and we have since focussed on safety improvements and enhancing the existing facilities. In the May Villager we will publish full details, and we plan to get to as many local groups as we can in April/May, with a display at the annual Village Meeting on 18<sup>th</sup> May.

**Precept:** We managed to make some good savings in the last financial year despite continued investment in the hall, and organising a series of successful

events. The next year will focus on our two big projects – the replacement of the hall roof, and improvements to the playing field. We hope to fund these with as much external funding as possible, but have budgeted for the preliminary works within current balances. You will see a small increase in the village precept but that just keeps pace with inflation, and is the equivalent of a couple of pounds in a year for the average household.

**Villager of the Year:** As mentioned above, the Annual Village Meeting (or outdoor party!) will be on Saturday May 18<sup>th</sup>, so mark it in your diary. One of the most important features is the Villager of the Year award – this is your opportunity to nominate anyone who you think has contributed significantly to village life in the last year (or longer). We're also looking for junior and student nominations for our younger residents. Please let me, the clerk, or any councillor know your nominations as soon as possible, but by 5<sup>th</sup> April latest.

***Tony Slater***

# Avening and Cherington Churches

## **Misery and gloom, or a chance for inspiration ....**

... what is your image of Lent? Do you see it as a time when Christians appear to indulge their favourite pastime of being totally miserable and lots of people forsake chocolate for a while? Let's hope not, because Lent can be a far more positive time if we choose to make it so.

Step back, chill out. What is it that really matters in life for you? What is it that you take seriously without any reservation? What makes you feel content (be thankful for it) and what seems less good (be optimistic about it)? Christians may think of this style of thinking as prayer in the presence of God but, whatever it is called, it might move us to become more like the person we feel we want to be.

## **Ash Wednesday to Easter**

This significant period of the Christian year will start on Ash Wednesday, 6<sup>th</sup> March when there will be a service at 7.00 pm at Avening. There will also be some Lent evenings on Wednesdays in Avening and Cherington to which all are welcome: if you are interested please contact me for further information.

## **All Age Services at Cherington**

We heard a story about Jesus and the fisherman at the February service and made our own boat to demonstrate it. The next all age service will be on Sunday 10<sup>th</sup> March at 10.30am – all are welcome.

## **Mothering Sunday, 31<sup>st</sup> March**

This is the day when we say a thank you to our mothers (and fathers need not be left out). There will be special services (9.30am at Cherington and 11.00am at Avening) to mark this day, offering something for everyone., including those with little experience of church, and children of all ages will be most welcome.

## **Stroud Sacred Comedy Festival 2019, Saturday 16<sup>th</sup> March**

St Laurence's Church, Stroud. A full day of laughs from a deeper place. Includes improvised comedy, kids comedy show, a multi-dimensional chat show and a sacred stand up night. Includes Tony Vino, Jo Enright, Stephen Cookson and Mark Palmer. Free entry to all shows, with suggested donations to cover costs. ## A Thank You to Avening.

Despite my parents getting married and settling in North Woodchester, Avening was always a pull to my family. We used to joke that the car knew its own way around the Avening bends as Dad drove daily to see his mother and check on the Social Club. It did not come as a surprise then that Dad persuaded Mum to permanently become an Avening resident 30 years ago.

Still tending his Mother's large garden, it was here that they put down their own roots in the orchard, designing their own dream house together. I remember being taken around a muddy patch as Mum eagerly explained the layout of their house to be, complete with a large fireplace in the living room. In later days it was great to hear them arguing over lighting the fire as Dad hated the lingering smell of smoke afterwards.

Mum was soon welcomed into village life, helping the Playgroup and at the Village Fete, and the journey to the Post Office or shop always took longer than it should as there was always someone to stop chat to and pass the time of day with.

It did not take long for Mum to be accepted as an Avening resident. My sister and I joked she was busier in her retirement than she had been in her working life. When we called she was volunteering at Longfields shop, swimming with friends, getting WI, Flower Arranging or Trefoil Guild stuff ready, if not down the Club or making cricket teas. Later on, there were practices and events with the Stuart Singers. During this time she was also helping others who were nearing the ends of their lives and helping with trips to the hospital – a bit ironic that

she never knew how precious little time she herself would have....

Mum's last few weeks became rather a fast action blur to me. In just a few short weeks, we gathered around to say our last goodbye. During these last few weeks we have been surrounded by the care of the village, from sympathy cards (I'm sure the Postman stood for about five minutes posting at least thirty cards on one day) to visitors and phone calls. The WI and members of The Social Club swung into action and organised us well!

I was overwhelmed by the hundreds of people who came to the funeral, filling it to bursting point. I would like to thank everyone I did not get round to see. It is comforting to know that as I travel up and down from Reading, there are so many wonderful people who will continue to look out for Dad.

Avening is a proud, village community with a great spirit, where people know and look out for each other. I only wish that my own village could become like this as I don't even know half of my neighbours!

Thank you, Avening, for your support.

*Katrina Cuthbertson (née Ind).*

# Avening Playgroup

On the very first day of February, we were all greeted by a white blanket of snow which the children were very excited about. They painted lovely snowmen and snowflake pictures, and we also managed to build a fantastic snow man. As both members of staff live in the village, we will always endeavour to open the playgroup. If we do have to close, all parents will be notified before 9am.

Since the last article the children have been very busy learning about the Chinese New Year of the Pig; the story of 'The 3 Little Pigs'; and language associated with shape, size and position.

They have been listening to the story of 'The 3 Little Pigs', acting out the story themselves and using dolls and animals to act out the story. They have been making paper plate pigs and wolves, as well pig collages for the Chinese New Year. The children used their cutting and colouring skills to make Chinese lanterns and egg box dragons. We have also been comparing the width and height of items and looking at where Elmer is positioned on a chair. The children have recently started to trace over their names as they arrive each morning. This is really helping them to gain confidence in forming the letters in their names correctly.

A big highlight for February was a visit from the Art Teacher, Mr Davies and ten of the art students from Sir William Romney's School in Tetbury. The art department has been very busy over the last few terms designing and repainting murals for the playgroup. We talked with the playgroup children about what they wanted on the murals and they came up with three designs: nature, fairy tales and superheroes. The students and Mr Davies have put a lot of effort and time into ensuring that the murals are both bright and bold. It was lovely for the children to meet the students who had painted the murals and it was nice for the students to see their finished work displayed on the side of the playgroup

building. We must say a very big thank you to everyone involved in the process. The children love them!

Playgroup is open weekday mornings during term time between 9.15 and 12.15. We run a lunch on Tuesdays, Wednesdays and Thursdays until 1.15. If you would like your child to join

us please call us on 01453 832695 or email [aveningplaygroup@gmail.com](mailto:aveningplaygroup@gmail.com).

## We're travelling to Bristol, Wales and The Jungle!

As spring gets closer and the weather becomes warmer, we are taking our learning outside in many different ways. From forest school sessions during the weekly timetable to after school forest school and nature club, the garden is currently a hive of activity and exploration. Thanks to an 'Awards for all' donation, we now have a fantastic new outdoor classroom. This invaluable addition to our outside space will enable the children to do more of their learning outside, developing vital outdoor skills and a knowledge and respect of the natural environment. Our weekly Fledglings sessions for pre-school children have also resumed after the winter break and take place every Friday 2-3pm. If you would like more information on Fledglings, please contact the school.

We are very excited about World Book Day, one of the highlights of our annual calendar. Every year we take a classic children's book and bring it to life for the day. This year we have chosen the classic children's story 'The Jungle Book' by Rudyard Kipling. Children will be invited to come to school in costume and the school will transform into a jungle for the day with activities such as mask making, 'jungle' school and a dance workshop.

KS1 and KS2 children have plenty to look forward to this month with The Owls class (y5/6) taking part in a Lego computer control session in school. Meanwhile, the Hawks(y3&4) will be travelling to Caerleon in South Wales to visit the Roman legion museum, baths and amphitheatre to further their learning on The Romans and the 'curious' Kestrels (y1/2) are off to @Bristol as the culmination of their 'Superheroes' theme.

There is plenty to look forward to in the run up to Easter, with Red Nose Day where school will raise money for Comic Relief, a dance festival at SWR and our annual Easter Egg Hunt and Avening school talent show taking place in the last week of term.

*For further information about this busy place of learning please see our school website: [www.avening.gloucs.sch.uk](http://www.avening.gloucs.sch.uk)*

## Avening W.I.

We are all feeling the very sad loss of Eileen Ind, one of our committee members. Eileen joined Avening WI in 2010 and soon became active on the committee, first as secretary and then in charge of our 'Bite to Eat' catering activities. Her kind, calm and organised manner ensured the success of all the events undertaken. She will be sorely missed and we will try to follow her example and to continue to provide the service as required.

Our speaker for February was Richard Burton who regaled us with some very amusing anecdotes of his life as a salesman in various department stores. He was brought up on the Barrington Court estate in Somerset where his father was gardener, but decided that a job on the land was not for him. He had been impressed in his young days by various salesmen, including a Sikh gentleman who arrived with suitcases and set out his fine linens on the lawns outside the workers' cottages, and so decided that a career in sales was what he would like to do. He secured a job in a local department store and started in the carpet and linoleum department, shadowing one of the experienced salesmen until the day came when he was allowed to make a sale of some carpet webbing! His tales illustrated how different the retail experience was in the 1960s.

Our next Fun Quiz, run by the amazing Shirley Hand, will take place on Friday 5<sup>th</sup> April with a 7.30pm start at the Social Club. This is always a popular village event and everyone is welcome. Teams of four people compete, and there are usually people who can make up a team on the night if required. The cost is £4 a head, which includes a ploughman's supper. All proceeds will go to Longfields in memory of Eileen, who was a volunteer at the Minchinhampton shop.

Our speaker for March is Graeme Payne with an illustrated talk entitled 'A Trip on the Royal Train'. He has been speaking to groups about travel-related subjects for 40 years, having worked in the airline, shipping and rail industries, including a time in charge of the Royal Train. He is author of numerous books and websites, which focus on luxury travel and cruising and has provided presentations in over 70 countries. He is a regular speaker on Cunard, Saga Cruises and Fred Olsen Cruise Lines and is a Destination Speaker on Queen Mary 2's world voyages.

Visitors are welcome to join us to hear this highly recommended speaker on Thursday March 14<sup>th</sup> 7.30pm at the Memorial Hall.

# Letter to the Editors

Regarding the dog fouling issue around Nags Head:

First of all many thanks to the Nags Head poo bag fairy and anyone else who picks up litter. Thank you to the majority of dog owners who pick up after their dogs and dispose of their bags in a proper manner.

Unfortunately the extensive problem around Nags Head lanes and footpaths is greater than discarded bags. The message has still not got through to a number of dog owners who don't pick up at all. On one occasion last year I counted over thirty mounds of canine faeces along a half a mile stretch of the lane adjacent to the golf course. A couple of council bins would no doubt help the situation. Possibly one central to the village and another near the lake. Clean up signage would be useful here too.

However the responsibility still lies with the dog owners. IF YOU ARE IN CHARGE OF A DOG YOU ARE REQUIRED BY LAW TO CLEAN UP AFTER IT. This also applies to you folks who walk or run with your dogs off lead!! Leaving poo bags around is littering.

Come on all you dog lovers of Avening and Cherington, you know who you are, please, please clean up your act. It is very simple. Poo bags are readily available at all supermarkets and pet shops. Never leave home without them. Pick up after your dog, if no bins are available take it home and dispose of it in your general waste. Laws are made for a reason. We should all be aware by now of the lasting harm these toxins have on the soil and water courses. Also to human, livestock and other animals' health. The countryside should be for everyone to enjoy.

Thank you for doing your bit to put an end to this unpleasant mess.

# Avening Community Café

## **Choc-tastic Tuesday, Our First Seed Swap and The Café's 1000<sup>th</sup> Customer**

February was a wonderful month for the café: record numbers and many new faces turned up for our Valentine's Week love-in; there was some good news about a grant from Gloucestershire County Council and we held a lively Open Meeting for all those with ideas and feedback to share. But we're not resting on our laurels and there's plenty going on in March too.

Thanks to Chandy Rodgers, we're launching a series of special events for everyone with green fingers itching to get planting. If you are anything like us, you will be pouring over the latest seed catalogues, praying for the return of Monty Don (or is that just me?) and finding the temptation to order irresistible. Some packets arrive with the bare minimum of seeds and you'll be lucky if they all survive, but others contain tens if not hundreds. Instead of over-planting and leaving yourself with a nursery full of needy offspring to nurture through the summer months, simply bring the surplus to the café on 5<sup>th</sup> March for our first Café Seed Swap. Split your surplus seeds into small envelopes, label the contents, include care instructions (add your own advice and notes for that personal touch) and swap for something else. This is our first 'Green Fingers' Cafe: seedlings, plants and produce swaps will follow during the year.

5<sup>th</sup> March is also the beginning of Lent and we thought our customers may be thinking of giving up chocolate....well, it's as good an excuse as any to make it a Choc-tastic Tuesday with all sorts of chocolate treats on sale at the café. Indulge yourself...Go on....You know you want to.....

We've been doing our sums at the café and reckon that we'll see our 1000<sup>th</sup> customer this month. We think that's worth celebrating! Counting customers is more an art than a science at the café but we think we'll pass this milestone during the morning of March 12<sup>th</sup>. Come along, enter a draw, become our Official 1000<sup>th</sup> Customer and win a cake baked specially for the occasion. There will be another Book Swap on this morning too.

March 19<sup>th</sup> introduces our first Knit and Natter table with crochet included and help for complete beginners. The month ends with the second Caffeine and Creativity art 'taster' session on March 26<sup>th</sup>. None of this would be possible without our volunteers – we salute you, couldn't do it without you, and thank you for everything you're doing to make sure our café goes from strength to strength.

***Follow us on Facebook (Avening Community Café) to keep up with everything going on at the Café – and don't forget we serve great coffee and home-baked cakes too!***

# Riley Reminisces

## In The Desert

*Continuing Riley's war time memories:*

Our draft had now moved to Amiraya in Egypt. Christmas 1941 had come and gone and we had a new identity. We were now to be known as 59 R.S.U. (Repair and Salvage Unit) of the R.A.F. Our Lords and Masters decided a nucleus of Base Camps with two salvage detachments to fulfil the salvage obligations (mainly crashed aircraft in the desert). Imagine, here we were with sand as far as one could see, and our detachment was ordered to collect gum boots, blankets and straw palliases!

A major emergency had erupted: it was policy for the R.A.F. to make use of the large salt flats in the region as landing strips, but that winter Egypt had an extraordinary amount of rainfall. Consequently, the surface of the flats became unable to support the weight of a number of Bristol Beauforts and despite all previous attempts to free them by mechanical means the aircraft were stuck and the surface became churned up to a deep mud which added to the possibility of losing them completely. Brute force and ignorance became the order of the day, which meant us laying a track of heavy boards. To reduce the weight, we were ordered to remove the wing assemblies and after numerous attempts we succeeded in raising the aircraft and positioning the board under the two main wheels. We could now move the aircraft the lengths of the boards and by placing similar boards one in front of the other, eventually moved the aircraft to harder ground.

Working 12 hour shifts with our sister R.S.U's (51 and 53), we accomplished our task. It took six men to reposition the boards as they were very heavy kit. It was then decided as we freed each aircraft it was to be towed (minus the mainplanes) through the streets of Alexandria to Abukir, for reassembly of the mainplanes, flight testing and return to the relative squadrons.

It all ended satisfactorily. 59 R.S.U. had been 'blooded' and we found our way back to our various units to roam the desert and salvage the many aircraft which had force-landed or otherwise. So after returning the mud-stuck planes, we made our way back to our Unit which we located at Mersa Matruh and reported "IN", glad to be rid of our gumboots! We then pitched our single bivouacs, dug a slit trench and awaited the nightly blitz which was not long in coming, but was definitely unnerving.

Approximately 24 hours later, equipped with a three-ton lorry and survival equipment, a Queen Mary trailer (specialised to carry aircraft), a Coles crane

*One of Riley's photos taken during his time in the Western Desert*

and most important, a compass (our sole means of navigation), we set off to trace our first downed aircraft.

Our only information was the pilot's last transmission (degrees N, degrees E etc). From a distance our Coles crane must have looked like a large gun, so we received our share of enemy action, but luckily we lost nobody. We were also close to the coast road so we came to expect a sneaky raid from the sea at any time and having no protection, one's ears were one's aircraft identifiers. In the evenings we would pitch our bivouacs well away from the unserviceable aircraft. Such was our life in the desert for the next two and a half years.

## Struggling to get where you need to go, or know someone who is?

Community Connexions is a local community transport charity that brings together volunteers to give transport to people of all ages who can't easily access it, because of physical or mental reasons, or social or rural isolation.

Last year we helped passengers across Gloucestershire make over 95,000 trips. These were to doctor and hospital appointments, day centres, visits to friends and family, and more.

The door-to-door car service is run by trained volunteers and journeys cost £1 per mile with a minimum spend of £5, which is to help cover the volunteer's fuel costs. We also offer bus hire starting from less than £30 an hour with one of our trained and qualified drivers.

If you think you would benefit from Community Connexions or know someone who would, please call us on 0345 680 5029 for more information or visit our website [www.communityconnexions.org.uk](http://www.communityconnexions.org.uk)

Without volunteers, Community Connexions would not be able to provide the breadth of services or help as many people as we do. If you would like to volunteer, please contact Elaine Pearson-Scott on 0345 680 5029 or email [Elaine@communityconnexions.org.uk](mailto:Elaine@communityconnexions.org.uk) or

This was the culmination of their preparation course and marks an important step in their journey of faith. We welcome them as communicant members of our community.

# Dying without a Will. Now that's a real tragedy.

No-one likes the thought of dying, so it's hardly surprising that almost 3 out of 5 UK adults don't have a valid Will (source: [www.unbiased.co.uk](http://www.unbiased.co.uk) 2010). Yet having one is one of the most important arrangements you can make during your lifetime.

My name is David Martin. I live in Nailsworth and I'm the local consultant for *Steele Rose & Co* - one of the UK's Premier Professional Home Visit Will Writers. After 22 years serving my country in the RAF, I have spent the last 28 years of my life professionally advising my clients on all personal financial matters and specialising in Wills.

Writing a Will is easier and cheaper than you think. It also ensures that your wishes are carried out simply and efficiently - causing the minimum of anguish for those you leave behind. If you would like to discuss your Will arrangements, redraft an existing Will, Lasting Powers of Attorney, or other associated legal services, at a mutually convenient time in the comfort and privacy of your own home, please contact me:

## **Crime**

One 'violent communication' was reported in January. The Police were unable to provide more detail.

## **Fibre Optic Cable Laying**

Gigaclear have agreed to attend a public meeting on 4<sup>th</sup> March at 7.30 in the hall to address residents' concerns regarding the laying of fibre optic cables.

We are hoping that the Surveyor and a representative from the installers will be in attendance along with Cllr Hirst from GCC.

The roof project continues. We are liaising with the conservation officer as to the type of roof tile that can be used, and seeking more detailed estimates to complete the work – it is hoped that only the North elevation will need to be replaced.

## **Playing Field**

Another special meeting of Parish Councillors was held to confirm the priorities proposed for the reduced scheme, and to set out the ways forward. Minor works previously identified will be implemented at the earliest opportunity, with priorities being:

- Fencing with matching gates around the existing play area;
- Improvements to disabled access to the playing field from Sunground, and connection to the cycle track;
- Drop kerbs around the Sunground entrance;
- Improvement to the perimeter footpath/cycle track around the playing field;
- Upgrade the playground with additional equipment with attendant maintenance and management;
- Level the main informal grass playing field to make it safe and useable for all activities;

This will enable retention of the informal North West corner of the site to conserve its flora and fauna, and retain the slope for sledging in snowy weather.

## **Defibrillator**

A second Defibrillator will be installed in the old phone box at the junction of

Old Hill/Lawrence Road.

### **Recycling**

Cllr Morgan of Cotswold District Council reported that all households will be provided with a separate food waste bin and that textiles, small electronics, and tetra packs will in future be part of the kerbside recycling. Green bins will be collected fortnightly for a trial period from September.

### **Dog Fouling**

Following a complain of dog fouling at Nags Head, a new dog waste bin will be installed.

### **Villager of the Year**

Please nominate someone you think deserves the Villager of the Year title.

### **Local Elections**

There are currently two vacancies for Parish Councillors. If you are interested in standing, please contact the Clerk for more information.
